We offer members the latest top-quality releases. And to prove we really mean what we say, here are just four of the hot new titles available in your magazine.

save £8

ROLLERCOASTER TYCOON

Fasten your seat belt and get ready for the sometimes bumpy but ultimately thrilling job of theme park management in this management strategy game. **Rollercoaster Tycoon** puts you in charge of a plot of land, a financial budget and all the tools you'll need to shape your estate into something that will make Alton Towers look like a travelling fairground. Your ultimate job is to attract hundreds of visitors every year, cater for every taste in fairground rides and, of course, make lots of lovely money!

STAR TREK: BIRTH OF THE FEDERATION

Immerse yourself in the Star Trek universe for the first Star Trek strategy game. **Birth of the Federation** will test your tactical prowess as you fight to expand your empire and win control of the universe. Give your orders from the Captain's chair and send your crew into deep space, guiding fleets and keeping check on your tactical position every step of the way. With a superb, easy-to-control graphical interface this game has infinite playability.

SOHO

With so many small businesses in Britain today it isn't easy to stand out from the crowd. New from Live Pix, a leader in PC photography software, **SOHO** is the latest package designed to help small businesses create professional quality materials incorporating their own photos. From innovative marketing brochures to imaginative business cards, this CD ROM will enhance the look of a business and generate remarkable results! The package includes hundreds of photographs, professionally designed templates and numerous image editing tools.

PINGU AND FRIENDS

Pingu, the hugely popular children's character makes a comeback on CD ROM with this fun and colourful disk that's perfect for developing early skills. With 3 skill levels to master, 3-6 year olds are introduced to science, language, maths and geography, whilst improving co-ordination, memory and problem-solving skills too. Narrated by Felicity Kendall, the CD ROM also includes two great interactive games that are guaranteed to hold a child's attention span as they learn with **Pingu**.

PC titles at your fingertips

WE KNOW WHAT YOU WANT

Whatever you buy these days, we know that it isn't so easy to find that winning combination of choice, quality and value for money. But when it comes to buying great software for your PC, that's exactly what you'll get at **Home Software World**. Bringing you the comfort and convenience of a software shop in your own home, **Home Software World** gives you the pick of the best with massive savings of up to 50% on the recommended retail price of the best software titles for your PC.

TOP CHOICE IN ONE MAGAZINE

When you join **Home Software World**, every two months you'll receive a FREE full-colour magazine, packed with the latest PC software and computer books. Our experienced editorial team has its finger glued to the racing pulse of the software market, selecting the most up-to-date titles from leading companies like Electronic Arts, GT Interactive, Cendant, CyberMedia and BBC Multimedia. In each magazine you'll be offered an Editor's Choice, chosen for its outstanding quality and value, but if it doesn't take your fancy, just choose another item from the wide range of titles on offer and let us know.

Reference, utilities, educational — it's all there! And we know you like to play the occasional game, so there's plenty of them too. All we ask is that you buy one item from each magazine for a minimum of six issues.

NO MORE HIGH STREET

We give you hassle-free home shopping, without the dreaded crowds and closing time. Simply browse and choose at leisure and we'll deliver direct to your door. And you don't have to worry about PC requirements either — we'll tell you everything you need to know.

DO YOURSELF A BIG FAVOUR

So, cast your eyes on the great CD ROMs featured in this flyer and choose any three items from only 49p each (plus £3.99 towards postage and packing) then mark the codes of your chosen items in the boxes on the coupon provided and simply return it to us today. Send no money now.

If you're not completely satisfied with your introductory parcel, simply return all the items to us within ten days, we'll cancel your membership and you'll owe us nothing.

JOIN TODAY!
